

CANYON ATHLETIC BOOSTER CLUB

Canyon Cougars Booster Bash
Saturday, January 25, 2020
McKenna Events Center
Steak Dinner, Live and Silent Auction, Casino Night

Dear Community Member:

The Canyon Athletic Booster Club (CABC) is planning our annual fundraiser to support the Athletic Programs at our Middle and High Schools. The event itself is a fun filled evening which we hope you will consider participating in as a table sponsor or consider donating a gift certificate or merchandise of your choice to be used in our live or silent auction or for door prizes.

For over two decades CABC has supported our youth by supplementing our athletic programs and providing scholarships to our student athletes. Last year alone we contributed \$60,000.00 to our athletic programs and \$26,000.00 in scholarships.

We hope you will consider any form of donation. Whatever you are willing to do is greatly appreciated and recognition of your support will be made at the event and to our membership.

Along with this request are the various forms with information on how to participate, tax exempt information, donation forms etc. All the information is available on our website or we are happy to email it to you as well. Additionally, you can send any donations to the address listed below or please give us a call or email to arrange a time we can come by to pick up.

Thanks again for whatever you can do.
